UNOFFICIAL LIST OF RECORDS SET AND TIED IN 2016

As always, the December newsletter contains unofficial lists of assorted **regular season** records set, extended, or tied in the past season, along with some major individual accomplishments. I am continuing the section devoted to records set, extended, or tied for individual franchises. They will include both team records as a whole and records set by individuals. Where I was able to determine if a team record was also a franchise record, I so noted, but others I may have missed. As I say every year, these lists are in no way complete. For a more complete list of major league records set and tied in 2016 see the 2017 edition of *Elias's The Book of Baseball Records*.

Special thanks to **Trent McCotter** and **David Vincent** .
