SABR GAMES AND SIMULATION COMMITTEE
JUNE 2015 NEWSLETTER

Hi all! I know it's been awhile since I communicated with you. Here is the next newsletter of the SABR Games and Simulation committee. It includes some info about the all-star game at last year's convention, between the Deadball and 19th century all-stars. It was played under the auspices of the Great American Fantasy League, or GAFL, and involved 3 committees working together, which was nice. We had a nice crowd, and good enthusiasm for the game. Members of the SABR Board viewed the game as well. Ty Waterman, commissioner of GAFL, oversaw the game, with help from other managers in the GAFL league. Reps from both the 19th century and Deadball committee played through the fast actions cards, and decided upon what their game strategies would be, and it was fun for all.

I hope to see many of you at the upcoming SABR convention in Chicago, and our committee meets on Saturday afternoon. Please let me know what you are up to, in what you do with the various games and simulations that you are involved in.

Also, I am thinking of stepping down as Chair of this committee, so please let me know if you wish to serve. Joe Runde has expressed interest, and he also lives in CT. Let's discuss this, along with future directions for this committee.
