

Society for American Baseball Research

Contributor's General Release Form

By consenting to this agreement, contributors to SABR projects enable the Society for American Baseball Research to fulfill its mission through the generation and distribution of baseball knowledge.

Grant of Non-Exclusive Worldwide Rights

In consideration of the purpose and goals of the Society and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, including the potential publication of the works that have been, are being or may in the future be provided by you to SABR ("the Works"), you hereby grant to the Society for American Baseball Research, its employees, agents, licensees and members who are acting on its behalf ("SABR"), the non-exclusive, royalty-free, perpetual, non-revocable, worldwide, right to use, publish, distribute, modify and copy the Work (including the right to sublicense to third parties), in any media now or hereafter known, in any upcoming SABR publication, as part of SABR's online digital publishing program or in connection with any projects of SABR and its affiliates ("SABR Work"). This includes collections of SABR articles gathered together in book or other form and sold to the commercial book trade or other commercial entities, which can benefit SABR financially while also fulfilling the mission of the Society. You acknowledge that SABR has no obligation to publish the Work.

You agree that any future Works submitted by you to SABR are being submitted subject to the terms of this General Release Form, and with each such submission you are reaffirming your agreement to the terms of this General Release Form.

Author Retains Copyright

You as author retain copyright in your original work, subject to the license granted above.

Authoring Credit, Complimentary Copies, and Notice

SABR shall use reasonable efforts to appropriately acknowledge and credit your authorship of any discrete contribution, or otherwise acknowledge and credit your contribution to a collective work published by SABR. SABR agrees to make reasonable efforts to provide you with a complimentary copy of any SABR printed work that includes your contribution, and to make reasonable efforts to provide you with a downloadable copy of any e-book published by SABR that includes your contribution. SABR's failure to provide you with the aforementioned copies or notices shall not affect the validity of this release.

General Release

You warrant that the Work is your own, that you have full exclusive power to execute this agreement, and that you have properly credited any use of the research of others. You warrant that you have all necessary permissions, licenses, rights and consents from all researchers and contributors to the Work, and you are not, and will not be, violating any rights of any third party by submitting the Work. You agree to indemnify SABR for any damages, including reasonable attorneys fees, resulting from any judgment for copyright infringement, defamation, invasion of privacy or other breach by you of any representation herein. You hereby release and discharge SABR from any claims arising out of or in connection with the use of the Work or any reproduction thereof. You acknowledge that SABR and/or its sublicensees, in their sole discretion, may edit the Work or combine it with other works. You also waive any right to inspect or approve the finished product and any right to royalties arising from the use of the Works by SABR or its sublicensees. In the case of multiple authors of a single work, this agreement applies only to your contribution of the work.
