UNOFFICIAL LIST OF RECORDS SET, EXTENDED, OR TIED IN 2023

As always, the year-end newsletter contains unofficial lists of assorted **regular season** records set, extended, or tied in the past season, along with some major individual accomplishments, positive and negative. There is also a section devoted to records set, extended, or tied for individual franchises that includes both team records as a whole and records set by individuals.

We all owe an incredible debt to former Chairman **Lyle Spatz** for compiling this year's list--it requires hundreds of hours of time.

Lyle sends along this note: Where I was able to determine if a team record was also a franchise record, I so noted, but others I may have missed. Thanks to Records Committee chairman Trent McCotter, Ev Cope, and other SABR members for their contributions to these lists. As I say every year, these lists are in no way complete or official.
