#### ■■■ ANNOUNCEMENTS ■■■

The SABR National Convention is set for July 18th-20th. Registration begins on July 17th. There will be a biographical committee meeting on Friday night (July 18th) from 10 P.M. until...

I would like to discuss Policy, vote on different situations, formats, etc.

If there is anything you would like to bring up at the meeting and cannot attend the Chicago Convention Please send it in.

I would like to thank Joe Simenich & Jack Dougherty for sending in a bunch of debut dates.

Computer input is going at a good pace, I'm nearing 27% complete. I hope to have something for those attending the convention.

■■■ MISCELLANEOUS ITEMS ■■■

Charles James Sweasy(1871)...died in Newark, New Jersey on Mar 30 1908. Is reported living in Fort Worth, Texas in 1922.(???)

The record for James McQuaid (Washington-NL-1898) belongs to Mortimer Martin McQuaid.

The July 16, 1918 game with the Indians for Forrest Cady belongs to Jack Gramey. Cady was Property of the Athletics from April 3rd to October 29, 1918.

Reverse the Playing records of Edward H. Doyle(St.Louis-AA-1882) with John A. Doyle(Pittsburgh-AA-1884).

I was advised of the 1896 death of Thomas J. Foley(1871). I note the founder of the Chicago chapter of Baseball Old-Timers was an ex-Player named Thomas J. Foley. He founded the chapter in 1921. This Foley's birth/death data are carried in the encycloPedias. The Chicago Post was quite extensive on the obit in 1896. We may have the wrong man here!

There was a committee set up to hold benefit games for the family of Harry Wright who died in late 1895. Games were Played across the nation in early 1896. I noted a Game Played on April 13, 1896 in Rockford, Illinois. Old retired Players Played in a benefit Game, the Chicago Post gave a run-down as to what the Players were doing now, also birth data. Check local Papers to see if Games were held Prior to the 1896 season.

A few months ago I ran into a game Played before the 1896 season in Rockford, Illinois. This was Part of Games Played in honor of Harry Wright.

In Game account in one Chicago Paper a run-down was given about all the "old-timers" who participated. Things like what are they doing now, where are they living and so on.

Joe Simenic has found games Played on April 13, 1896 in honor of Harry Wright. Please check local papers to see if any information can be found on "old-timers" or "future" players.

\*\*\*\*\* ANNOUNCEMENTS \*\*\*\*\*

Please make note that as of April 28th my new telephone number will be 312-774-6023.

I have been advised that as of March 1st, the long awaited "Mormon Computer"(GENCOM) is now in experimental operation between it's base near Provo, Utah and Brigham Young University and at a library near Oakland, California. The reason is to workout "bugs" in the system, also to prevent "computer hackers" from breaking it's code.

I have told some of you about the largest computer in the world, but for those who don't know...

The Church of Jesus Christ of Latter-Day Saints (the Mormons) have been collecting genealogical data since 1860. They converted to micro-film in the 1930's, about 1-3 million rolls, since 1978 they have been inputting data into a massive computer housed inside a mountain near Provo, Utah. They now have 1 billion names cross-referenced.

I am told that the computer link-ups could be accepted by July or August this year.

I plan to inform you at the Chicago convention this July on how we will

Sorry for the delay in answering any letters, we moved on April 28th, and many things are still un-packed. I will try to send letters this week.

One of the first things un-packed was my computer. So far I'm about 70% completed in keying in every Player/manager. So far at last count we have 12,702 Players since 1871. This does not count non-Playing managers.

At long last, starting next month, the "SCOREBOARD" will return as a permanent feature of the update.

Questions have been asked on why carry information on Players not carried in the MacMillan EncycloPedia. Example is the E.J. Smith listed above.

I have incorporated every Player since 1871, my sources were from three encycloPedias, THOMPson-Turkin, Sports EncycloPedia and the MacMillan. I have inputed each Player in my computer, also Past biographical updates were used for corrections. I will not delete any Player until Proven that he is erroneous. I believe that the biographical committee has the most updated source of Player information.

Sorry, but I couldn't incorporate the non-Playing managers into the scoreboard this month. I have been working with the convention host committee and I have been updating the MacMillan EncycloPedia as per contract, this will be completed by July 17th.

As to the convention, we have the largest committee coming, 13 of the 39 members. BallParks is next with 11.

■■■■■ A N N O U N C E M E N T S ■■■■■

This has been a good month for SABR bio-members. We had a few honored members at the Chicago convention... JOE OVERFIELD was honored with 4 other SABR's for contributions to the society.... BILL CARLE and JEFF NEUMAN were Part of the winning trivia team... RICH TOPP(m.c. at banquet) introduced TOM HUFFORD(of the BOB DAVIDS award committee) who bestowed the award on JOE SIMENIC.

I want to welcome new SABR's to the Bio-Team... JEFF NEUMAN(New York,N.Y.), TIM DOHERTY(Pacific Palisades, Calif.), CLEM COMLY(Wallingford, Pa.), JOHN SCHWARTZ(Rochester, N.Y.), for a return visit BILL GUSTAFSON(San Jose, Calif.) and the new SABR President GENE SUNNEN(San Francisco, Calif.).

At long last, the efforts of Dr. JOSE JIMENEZ have come through. We have received the first of, and I hope many, questionnaires from Cuba.

The Biographical committee now has 42 members, the largest and the most active in SABR history!

#### \*\*\*\*\* CORRECTIONS \*\*\*\*\*

Correct the Ted Lyons death place from the July report to Sulphur, Louisiana, not Sulpher.

Olsen never Played for the 1943 Red Sox. It seems that the Red Sox carried it's spring training roster into the first month of the season. Someone used Olsen's number and walked and had a stolen base. Olsen has verified this with a letter. The game was at Chicago on Sunday May 16th. I have check the Chicago newspapers looking for an inning-by-inning account. The Chicago Daily News, which published these accounts, did not print on Sunday.

#### \*\*\*\*\* ANNOUNCEMENTS \*\*\*\*\*

Romer Grey Played one game(May 28), William Gray Played (May 31) with Pittsburgh. New information is that William Gray is to be deleted, the May
