Celebrate the Unofficial End of Summer

Before the summer is truly over, let's enjoy the National Pastime on **Labor Day, September 2nd**. The Brewers are home for the holiday playing the Houston Astros at **3:10 PM**. How about some fun baseball talk and good ol' baseball foods and beverages!

We'll start with a tailgate party at 12:30 followed by the game setting-up in the Molitor Lot off Bluemound Road.

Going to the game already, terrific, please join us for tailgating and talking baseball, bring your friends and family.

Contact Dennis Degenhardt (bovine9@icloud.com or 262-339-9968) if you are joining us for the tailgate party and/or ballgame so we can arrange for food and tickets. Please include the number attending each. Also, contact Dennis with your questions or suggestions, too.

Today in Baseball History

Have you noticed the Today in Baseball History posts on our Ken Keltner Badger State [Facebook page](#)? Dennis started this on August 11th, to have an opportunity for discussion and the sharing baseball history. He selects items using the [Today in Baseball History](#) website that catch his attention and then verifies the item for accuracy. The site includes historical baseball events, birthdates and deaths. If you are interested in helping him with this project please let him know (bovine9@icloud.com), especially if there is an item you would like to add to the post. Suggestions and ideas for our Facebook page are always welcomed, too.
