

CURRENT BASEBALL PUBLICATIONS: 2002

An Introduction to CBP

CBP is a quarterly publication of the SABR Bibliography Committee. Its purpose is to list all the baseball related publications published during each quarter and each calendar year. Publications are grouped into the following twelve broad categories:

1. Anthologies, Book Review, Essays.
2. Biographies, Autobiographies, Personal Accounts.
3. Adult Fiction and Poetry.
4. History, Economics, General Works.
5. Hobby:
 - A. Rotisserie and Fantasy Leagues.
 - B. Card and Memorabilia Collecting.
6. Humor and Trivia.
7. Instructionals, Fitness, Rules.
8. Juvenile Works:
 - A. General Works.
 - B. Biography.
 - C. Fiction.
9. Statistics, Reference, Annual Works.
10. Newsletters, Magazines, Newspapers.
11. Movies, Videos, Computer Software.
12. Selected Journal Articles from Non-Baseball Magazines.

Although some publications may belong in more than one of these categories, they are listed only once in their most obvious (at least to the compiler) category. Items omitted or overlooked in one quarter, will appear in the next issue or as soon as bibliographic data is found, even though they may have been released much earlier. Entries are numbered and run consecutively through each issue. Each entry contains the following information (or as much as is known).

Author (s). Title. Publisher. Address of Publisher. Phone number of publisher (especially is a small press or self-published). Number of pages. Whether or not it contains photographs, index, bibliography, notes, chronology, statistics, etc. Price. paperback (p) or hardcover (h). ISBN or ISSN number. If it is a reprint, original publisher and date of first publication are noted. Occassionally entries contain comments on the publication when the compiler has had the time to review or read the items.

I make no claim to have listed all publications in any category. Please direct your additions, criticisms, or comments to the editor, Rich Arpi, 2445 London Lane East, # 410, Maplewood, Minnesota 55119 (rwaces@cs.com) Your help will make CBP a better and more comprehensive bibliography. Items I have actually seen (and thus verified publication) are noted with the statement (seen). All other entries have a publication/release date supplied by amazon.com.
